

Commercial Hydronic Products  
**COLOR SELECTOR**  
Standard Enamel Finishes For Commercial Finned-Tube,  
Convectors, Cabinet Unit Heaters, Panel Radiators and Fan Coils

These are color reproductions and approximate the actual colors as closely as possible. Although perfect color uniformity is practically impossible, you should expect only minor color variations.

Special colors can be provided. Please consult the factory for price and samples.

Finish shown approximates finish on finned-tube and cabinet unit heaters. Convector finish has slightly less sheen.

VP-1 / Bright White  
(Not available on convectors.)

SB-1 / Light Grey

P-1 / White

SB-7 / Soft Dove

WB-3 / Cameo White

SB-6 / Deluxe Beige

WB-2 / Almond  
(Formerly WB-2 Eggshell)

DB-1 / Dark Bronze

VP-2 / Egg Shell  
(Furnished as standard on all cabinet unit heaters that do not specify a different color. Can be repainted in field.)

DB-5 / Flat Black
