

All 3 phase motors now VFD compatible!

NEW

CANARM BRANDED AC TEFC MOTORS

From a Trusted name in Ventilation.

You Know Canarm as Canada's leading manufacturer of Ventilation equipment. Canarm also imports a number of competitively priced Electric motors that are ideal for use on axial fans and blowers.

Canarm electric motors are available in a variety of horsepower ranges and frame sizes to fit your application.

All motors are CSA approved for use in Canada and the United States.

FEATURES

- Totally enclosed fan cooled (TEFC) or open drip proof (DDP)
- Ball bearing
- Thermally protected (where indicated below).
- F Class insulation.
- 40°C ambient temperature rated
- Available in single or three phase
- Single speed only
- All 3 phase units now VFD compatible
