

Indoor/Outdoor UL507 Certified Oscillating Wall Mount Fan

The Indoor/Outdoor Wall Mount POW (Premium Outdoor Waterproof) fan from J&D Manufacturing is an oscillating, three-speed, waterproof fan with quiet operation. The POW Wall Mount fan includes a wall mount bracket and an attached 10' cord pre-wired for 115 volts so no electrician* is required.

These fans are perfect in areas around the farm that may come in contact with rain, humidity, and water spray.

*GFCI (Ground Fault Circuit Interrupter) recommended on all circuits

Features

- Available in 24" and 30"
- Includes powder coated steel wall bracket
