- ✓ Environmentally friendly mold and mildew remediation
- ✓ Great evaporator and condenser coil cleaner
- ✓ Mitigates moisture and water damage

SPOREGO® BROAD SPECTRUM CLEANER

The perfect mold and mildew remediation, SporeGO® is a uniquely stabilized specialty oxidant, combined with the essential oil of Australian Tea Tree, which is considered nature's most powerful fungicide, germicide and deodorizer. Australian Tea Tree Oil is 100% natural and environmentally safe.

This chlorine-free alternative for cleaning is safe and effective at lifting and removing difficult stains and mitigating moisture and water damage without chemical residues or odors.

Safe for use in households, schools, nursing homes, office buildings, hotels and more.

PRODUCT SPECIFICATIONS

Temperature Range:	32° to 212°F (0° to 100°C)

SPORE GO
Broad Spectrum Cleaner

SporeGO is a uniquely stabilized specialty oxidant, combined with the essential oil of Australian Tea Tree, which is considered nature's most powerful fungicide, germicide and deodorizer.

PERFECT MOLD and MILDEW REMEDIATION

Cleans Away Mold and Mildew

In addition to the Tea Tree Oil, SporeGO has a stable oxygenated cleaning component which provides a chlorine-free alternative for cleaning and deodorizing. SporeGO is particularly effective at lifting and removing difficult stains from wood, bricks, concrete, decks, stucco, sheetrock, tiles, canvas, vinyl, roofs, patios and a variety of other porous and non-porous surfaces.

Safe for use in:

- Households
- Schools
- Hospitals
- Nursing Homes
- Office Buildings
- Hotels
- Commercial Institutions
- Industrial Institutions
- Airports

- Mitigates Moisture and Water Damage
- Multi-Surface, Broad Spectrum Cleaner
- Coil Cleaner - Evaporator and Condenser

Cleaning with SporeGO leaves no chemical residues or odors.
